

**The answer is often in the place you weren't looking.**

Our business intelligence tools follow your data in every direction, including the corners that seem unrelated, and show you how it all connects.

**See where it leads →**

## Layout

- The text block sits at 124px from the left, vertically centred, about 780px wide.
- Spacing between the headline, paragraph and button is 34px.

## Headline

- Font: DM Serif Display, 88px, line height 1.02, letter spacing –2.5%.
- Colour: #F1EEE9.
- "weren't looking." is in italic pink (#F06A98).

## Paragraph

- Font: DM Sans Regular, 26px, line height 1.5.
- Colour: #B2B0B8, maximum width 660px.

## Button "See where it leads →"

- Font: DM Sans SemiBold, 23px, text colour #0B0B0E.
- Fill: #F1EEE9, fully rounded, padding 21px top and bottom, 38px left and right.

**Background:** #0B0B0E. All three fonts are free on Google Fonts.
